## **Hughes & Kettner to Appear at Dallas Guitar Show**

Dallas, TX (May 2, 2019)– Yorkville Sound distributed brand, Hughes & Kettner, is set to rock the Dallas International Guitar Festival, which kicks off May 3 and will continue through May 5. Guitar enthusiasts are invited to visit Hughes & Kettner's booth 405-504 at Dallas Market Hall for the H&K amp experience!

Yorkville Sound's Larry Bell will be on site to answer any questions related to Hughes & Kettner and will have the new Black Spirit 200 and the legendary Tri Amp Mark 3 on hand for attendees to try out.

The Black Spirit 200 is truly like no amp before. Built with incredible practicality and an exhilarating range of sounds, features, immense power, and weighing in at just 8 lbs. The amp's Red Box DI output offers eight ultra-realistic cabinet simulations, making it the perfect mic-free solution for stage and studio.

Hughes & Kettner's TriAmp Mark 3 might just be the most intelligent, versatile tube amplifier the world has ever seen. This is an amp that delivers brutal tonal intensity that can be customized by merging one, two, or even all three of the power amps, bringing the TriAmp Mark 3 up to 150 watts of sheer tube power. This effectively lets you custom tailor your own unique sound, recalling up to 128 sound combinations with the touch of a button via MIDI.

Hughes & Kettner products will be available for sale at the Dallas Market Hall. Visit Hughes & Kettner at Booth 405-504 to find the amp that best suits you!
