

YXL15P

15-INCH POWERED LOUDSPEAKER

Overview

The YXL cabinets use a single driver and 90 x 40 degree horn with 1-inch throat and 1-inch compression driver. Constructed from strong Polypropylene, YXL is poised to uphold Yorkville's reputation for reliability and durability. The cabinets can be positioned upright or used as a monitor wedge.

Designed as an all-purpose speaker with the Musician & DJ in mind, each YXL15P features 3 channels. The cabinet supports Bluetooth streaming and EQ button controls for Concert, Club & Monitor modes.
